The German Association of Sprachpraxis Professionals (GASP) 2023 Conference in Saarbrücken

Dear friends and colleagues,

We are delighted to announce that the fourth German Association of Sprachpraxis Professionals (GASP) conference will take place in Saarbrücken from 22nd to 23rd September 2023. We greatly enjoyed the Düsseldorf conference in 2019 and we felt that after four years, it was high time for another in-person meeting at GASP 4.0.

Continuing from the conferences in Münster, Dortmund, and Düsseldorf, we would like to provide a forum for discussions and papers on all topics related to *Sprachpraxis*. The conference is designed to have an interactive, open format to encourage dialogue and to share ideas on the common issues in our typical *Sprachpraxis* courses. We invite proposals for talks, papers, workshops, and round-table discussions on all areas, including writing, assessment, e-learning, and module design. We are open to all *Sprachpraxis*-related ideas. If you are interested in offering a session, please send us your title, an indication of format and timing (60 or 90 minutes), and a ca. 200-word description to teachersday@uni-saarland.de by 31st May.

If you know anybody who has not received this mail who would like to be added to the mailing list, please let us know. And of course, feel free to forward this email and call for papers.

Further information regarding registration, accommodation, travel, speakers, timetable, conference dinner etc., can be found on our GASP event website (see URL and QR-code in sidebar).

We very much look forward to hearing from you. All the very best from Saarbrücken,

Meike, Verena, Chris, Hank, and Dan
